

40% Off for 40 Days

For your first 40 days as a new Paperly Consultant, you may purchase personalized samples of Paperly’s products at 40% off the retail price. This offer is in addition to the dozens and dozens of generically personalized loose samples you already receive as part of your Starter Kit.

Why this ridiculously amazing offer?

Because we know the best way for a Consultant to sell Paperly’s products is to share personalized samples.

- ☞ You may purchase a Product ID only once.
- ☞ Items will be shipped at Paperly’s Non-Party rate.

The Fine Print: Offer may not be available on all Paperly products. All “New Enrollee Sale” orders (i) are non-commissionable, (ii) do not count towards a Consultant’s Qualifying Volume, (iii) do not count towards Paperly’s Hostess Rewards, and (iv) cannot be paid with Paperly Dollars. The intent of this sale is for Paperly Consultants to purchase personalized samples, and thus, only the lowest quantity is available for most products. Paperly can void any order, at its sole discretion, that it believes violates this intent.
